

## How VIP do you want to be?

Being a Players Club Member at Menominee Casino Resort is the most rewarding gaming, dining and entertainment experience in the northwoods. As a Players Club Member, you can use your Players Club Card while playing slots, table games and bingo to earn points for Menominee Casino Resort dining and accommodations, exciting gaming, and merchandise. First-time members begin with the Pine level Players Club Card, and move up to the Oak, Birch, Maple, and finally the Maple Elite level. As you ascend the membership tiers, the rewards and benefits increase.

Insert your Players Club Card in the machine when you play our slots and earn valuable points. When you play table games, show the dealer your Players Club Card. When you play bingo, show the cashier your Players Club Card. Your Players Club Card points are just like cash at Menominee Casino Resort! Points can be used for Free2Play, to make purchases at the Five Clan Gift and Smoke Shop or at the Thunderbird Complex and any of our restaurants. These are just a few of the ways you can use your points.

**To check your balances, simply swipe your Players Club Card at one of the kiosks located throughout the Casino.**
